Recovering Costs When State Vehicle Damaged By Third Party

2456.1

(Revised 1/18)

The Office of Risk and Insurance Management of the Department of General Services takes action to recover for most State agencies the cost of damage done to State vehicles by third parties. A few State agencies undertake their own collection activities under statutory authority or upon approval of the Office of Risk and Insurance Management. This section applies only to those agencies for which the Office of Risk and Insurance Management undertakes collection activity.
