

SAM - BUDGETING

INPUT FROM OTHER GOVERNMENTAL AGENCIES IN THE DEVELOPMENT OF FISCAL ESTIMATES

6616

(Revised and renumbered from 6670 on 3/2009)

State agencies that propose to issue regulations must allow for input from any and all other governmental agencies which express concern about the potential fiscal impact of the regulation on them. Such input must be solicited by the issuing state agency by practical means such as holding public hearings, publishing a notice in the California Regulatory Notice Register, and offering any other appropriate means.

Although the DOF's concurrence is required only for those circumstances set forth in SAM Section [6615](#), such concurrence may be requested for any other circumstances as well. When the DOF has concurred in the fiscal estimate, the DOF will, if requested, be primarily responsible for providing evidence and testimony to the Commission on State Mandates on any claim from a local government that the regulation results in increased costs. Conversely, the issuing state agency will be primarily responsible in instances where the DOF's concurrence was not obtained.
