

## SAM - BUDGETING

### INFORMATION TECHNOLOGY EXPENDITURES

6700

(Revised 12/2013)

In accordance with Government Code (GC) Section [13070](#), the Department of Finance (Finance) has general powers of supervision over all matters concerning the financial and business policies of the State. In addition, GC Section [11547](#) states that Finance shall determine availability of information technology (IT) project funding from appropriate sources and project consistency with state fiscal policy.

Established within Finance is the [Information Technology Consulting Unit \(ITCU\)](#). The ITCU performs fiscal analysis of statewide IT policies and enterprise initiatives proposed by the California Department of Technology, as well as fiscal oversight of Finance-identified critical IT projects. The Department of Technology coordinates review of IT proposals with Finance to streamline the review process and produce one decision for the Administration.
