(Reviewed 12/2013)

For the purposes of this section:

1. An information technology (IT) activity is classified as either new or existing, and is defined as: (a) an IT project, comprised of one-time development and continuing operations/maintenance components, or (b) an ongoing IT effort, such as technical, production, or user support services.
2. Budgetary authority refers to the funds appropriated, expenditure authorizations granted, and expenditure limits/conditions imposed on a department through the provisions of a budget act or other superseding authorization.
